Menubar

The Menubar provides quick access to the TV Guide, Digital Video Recorder (DVR), Recordings, Settings, Favorites and Search.

TV: Launch the interactive program guide

Recordings: Watch, edit, and create DVR recordings (only functioning on STBs with DVR capabilities)

Home: Access Settings for Channel Blocking, Parental Controls, and Hardware, Favourites lists.

Search: Find your favorite programs by title or key word

To access and navigate the Menu:

1. Press Menu on your remote control.
2. Press the Up/Down, Left/Right buttons on your remote control to navigate the highlight through the Menu.
3. Press OK to activate that highlighted selection.
4. Press Exit to leave the Menu.

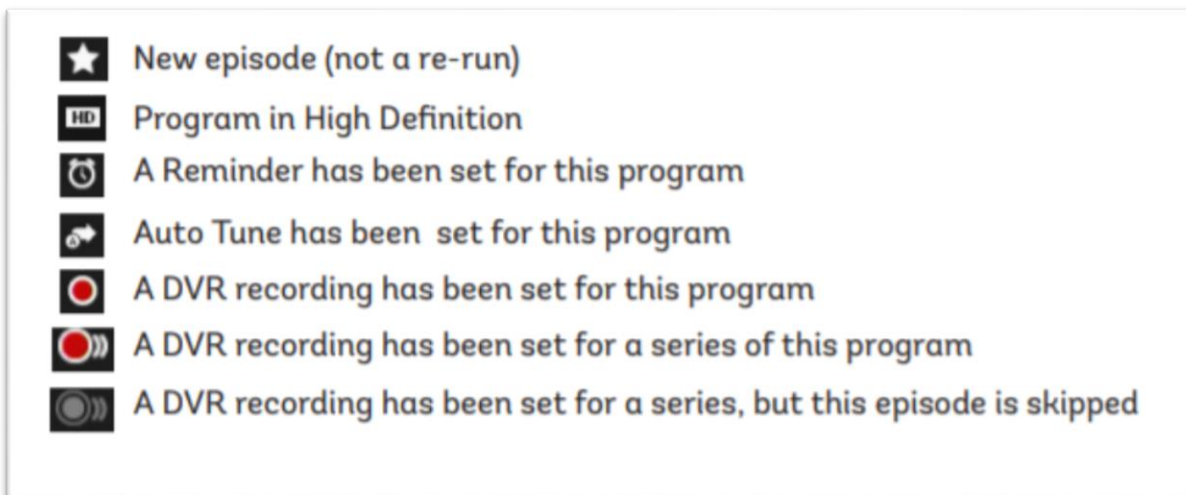

Guide

You can access the **Guide** two ways. Press the **Guide** button on your remote control. Continuing to press the **Guide** button will switch the Guides to **All**, **Subscribed**, **SD**, **HD**, and any **Favorites** lists that you create. You can also access the **Guide** by pressing the **Menu** button on your remote control, navigating to the **TV** icon on the left of the screen, and pressing **OK**. Once you are in the Guide, the program you are currently watching remains in the upper-left corner of your screen.

Note: The name of the Guide appears on the left side of the Guide below the current program mini screen. If you can only scroll through a limited number of channels, verify that your Guide is set to All or Subscribed.

Some Symbols Used on the Guide You may see these symbols on the Interactive Program Guide:

Navigate the Guide

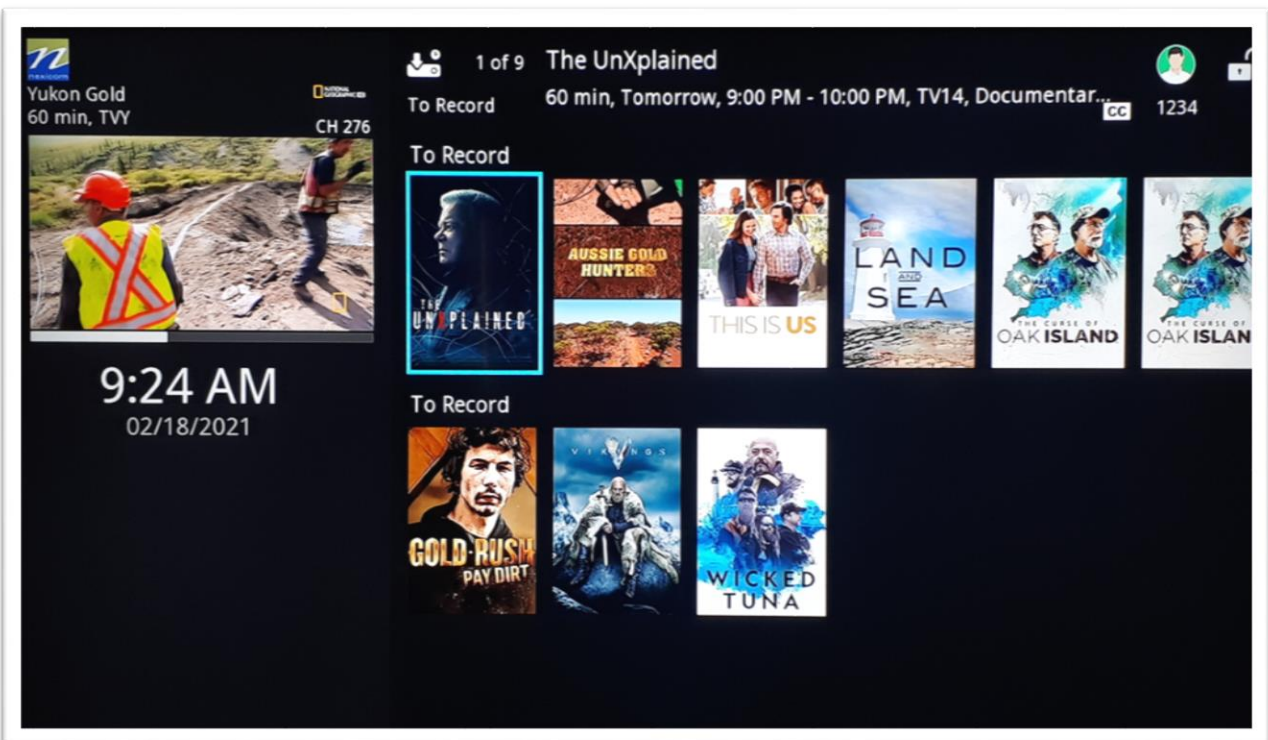

There are a few different ways to navigate the Guide.

1. a) Tune to a channel on the **Guide** by entering the channel number and pressing **OK**.
b) Or, press the **Guide** button and use the arrow buttons on the remote to move the highlight through the **Guide**, channel by channel.
2. Press the **Left** or **Right** arrows to move the highlight through the **Guide** to view what programs are showing in the past or future. You can view Guide date for programs up to 7 days into the future.
3. Press the **Page Up/Page Down** buttons to move through the **Guide** page by page.
4. Press **OK** to preview a highlighted show on the **Guide** in the upper-left corner of your TV screen. To tune to the channel, press **OK** again.
5. Press **Exit** on the remote to leave the **Guide** or repeatedly press the **Guide** button on your remote to cycle through all of the available **Guides** and it will disappear.

*Tip: Press **Back** on your controller while watching a show to open the Recently Watched menu which will show you the last programs you watched. You can tune to a particular program by highlighting the appropriate box and pressing OK.*

Reminder & Autotune Timers

You can set timers to remind you of the programs you want to watch. A Reminder tells the system you want it to let you know a program is about to come on. An Auto Tune will automatically change to the correct channel when the program is about to start.

Setting a Reminder Timer

1. Press the Guide button on the remote control.
2. Navigate to future programs by using the arrow buttons on the remote to move the highlight through the Guide. Press OK on the program that you want to set the reminder for. Select the "Set Reminder" symbol.
3. Press Exit to return to watching TV.
4. A clock symbol on the program on the Guide indicates that a Reminder Timer is set.

A **Reminder Timer** message will appear on your screen reminding you of the program just before it begins. Press **Info** to view the **Reminder** or press **Cancel** to exit out of the **Reminder**. When you press **Info** on the **Reminder** message, press **OK** on the program name to tune to the program. To cancel the reminder simply click the same alarm clock image which now has a small “X”.

Setting an Autotune Timer

1. Press the Guide button on the remote control.
2. Navigate to future programs by using the arrow buttons on the remote to move the highlight through the Guide. Press OK on the program that you want to set the timer for. Select the “Set Autotune” symbol.
3. Press Exit to return to watching TV.
4. The Autotune symbol on the program on the Guide indicates that Autotune has been set.

Before the program begins, an alert will appear on your screen giving you the option to tune in or **Cancel**. You can edit the **Autotune Alert Timer** notification to **0 seconds** <default>, **30 seconds**, **2 minutes** or **5 minutes** through **Settings** on the **Menubar**.

Cancelling an Autotune Timer

1. Press the Guide button on the remote control.
2. Navigate to the program you have set an Autotune Timer for by using the arrow buttons on the remote to move the highlight through the Guide. Press OK on the program. Select the "Cancel Autotune" symbol.

Infobar

The InfoBar provides quick access to information about the programs that are on now or will be on in the future.

You can access the Infobar three ways:

1. Press **Info** on your remote control. Press **Info** again to display a more detailed program description.
2. Press the **Up/Down** buttons on your remote control.
3. When changing channels using the CH buttons, the **Infobar** will appear automatically.

Navigate Using the Infobar

When the Infobar is present on the screen, you can perform the following actions without leaving the channel you are on.
